RHETORIC 2021/2022
ST ALOYSIUS BURSARY

THE STONYHURST FOUNDATION

As the oldest continuously active Jesuit school in the world, Stonyhurst and Stonyhurst St Mary's Hall continue to provide an environment where young people find that rare balance of 'living and learning for the greater glory of God and the common good' (St Ignatius).

Throughout its long history, Stonyhurst College has embraced opportunities and change to ensure that it remains a leader in education. In support of this, The Stonyhurst Foundation, a ring-fenced, independent, capital-protected bursary fund was launched in 2020 to make a transformational Jesuit education accessible to even more pupils, locally, nationally and internationally.

We are delighted to support Rhetoric 2021/2022 in establishing the "St Aloysius Bursary" within The Stonyhurst Foundation. This bursary will, quite simply, give the gift of a Stonyhurst education to a child who otherwise would not have the benefit of it.

HEADS OF LINE

SASKIA AND TRISTAN

We are thrilled to be working with The Stonyhurst Foundation on this life changing project.

As the Heads of Line we, with the Committee and our Rhetoric Playroom, would like to leave a gift to Stonyhurst and to a future pupil, that would be valued long after our departure. Following discussions with our year group, we have agreed that we would like our Rhetoric gift to be a Means Tested Bursary called 'The St Aloysius Bursary', named after Stonyhurst's patron saint.

We aim to raise, during the course of this academic year, the funds to cover the boarding costs for a pupil's time at the College. We know that this is an ambitious undertaking and target, but as a year group we know first-hand the true value of a Stonyhurst education and just how life changing a bursary of this kind will be.

WHY A BURSARY?

A bursary, such as this, offers more than financial support, it truly offers the chance to change lives. The outstanding teaching and opportunities to learn and grow at Stonyhurst are exceptional and we know from personal experience how important this has been in shaping each of us into 'Men and Women for Others'.

Success in every field, whether it be academia, music, sport, or charity -amongst others- is widely celebrated and we, as pupils, are actively encouraged to be the best that we can be and to stay true to our school motto 'Quant Je Puis' (As much as I can).

St Ignatius wanted to make Jesuit education as widely available as possible. The St Aloysius Bursary will allow us to continue working towards this goal, allowing us to make a Stonyhurst education available to pupils who would otherwise not have the benefit of it. It will remove financial barriers and widen access for deserving pupils.

HOW THE ST ALOYSIUS BURSARY WILL WORK

In a manner similar to other funds within The Stonyhurst Foundation, the 'St Aloysius Bursary' will be a separate ring-fenced fund within The Stonyhurst Foundation.

- The Trustees of The Stonyhurst Foundation welcome the opportunity to work with Rhetoric 2021/2022 to develop this bursary.
- Each member of Rhetoric 2021/2022 has committed to personally donate to this bursary. Rhetoric Playroom members will be asking for support from their family and friends to fundraise for this bursary.
- Rhetoric will hold a number of fundraising events during the course of the academic year with the proceeds going to 'The St Aloysius Bursary'.
- The Trustees will place donations to this bursary into the designated 'St Aloysius Bursary' fund within The Stonyhurst Foundation.
- This bursary will be allocated to a specific pupil and will be used over the period of their school career to cover the costs associated with attendance at Stonyhurst.
- The recipient of the 'St Aloysius Bursary' will undergo the formal bursary selection process as defined by the Stonyhurst Bursary Committee and the recommendation will be submitted to the Trustees of the Foundation.

CALL TO ACTION

We call on you, our family and friends, to give as generously as you can to support our fundraising endeavour. Helping us to leave a lasting legacy from Rhetoric 2022, which will be remembered long after our school journey has come to a close.

Our Rhetoric Playroom will provide updates on our fundraising efforts throughout the 2021/2022 academic year and will announce the overall outcome at our Great Academies in May 2022.

For each member of our Rhetoric Playroom, this is an extremely real, tangible experience of generosity and service that will hopefully go on to inspire many more people in years to come.

We would like to take this opportunity to thank you, in advance, for your support for this fundraising project. This bursary will quite simply transform a pupil's future.
