

STONYHURST ASSOCIATION

AMDG

The Stonyhurst Association is delighted to support the Foundation in its endeavour to make it possible for more children to have access to a Stonyhurst Jesuit education. Children for whom only the gift of a bursary or grant will make that education possible.

Our membership includes many thousands of OS who have experienced a Stonyhurst education and who are thankful for the opportunities and experiences that we were privileged to have had, and which shaped and moulded us into the adults we have become.

We applaud the Foundation's mission to provide the help needed to enable more young people to be educated at Stonyhurst, where they too will be guided to become men and women for others.
